INTO THE NEXT DIMENSION

QuestionMark

General Rules

- The quiz is open to students of any recognized institution- college or school.
- Teams are allowed from a minimum of 2 to a maximum of 3 members.
- Team-mates maybe from separate institutions (college or school).
- ID cards are compulsory.
- It is a 2 round event.
- No books, internet, etc are allowed for reference.
- Anyone adopting any sort of unfair means will be immediately disqualified.

Round 1 rules

- It will be an MCQ based offline test.
- There will be 30 questions and the time limit would be 30 minutes.
- +2 marks would be awarded for each correct answer and -1 for each wrong answer.
- No scribbling/ scratching is allowed. Once an answer is marked, it's final.
- The questions will be based on general knowledge of a wide variety of subjects like politics, science, technology, business, history, etc.
- Top 8 teams would qualify for the 2nd round.

Round 2 rules

- It will be a verbal round sub-divided into 4 rounds- Random, Connect the pictures, Guess who and Pick your choice.
- In **“Random”**, 2 questions on random topics would be asked to each team. 10 points for correct answer and no negative marks for wrong answer. In case of a wrong answer, the question will be passed to the next team with +5 as bonus points.
- In **“Connect the pictures”**, 3 picture based questions would be asked to each team. Each of these pictures will be a collage of 4 pictures. The team has to connect those 4 pictures and answer what they depict.
- +20 will be awarded for each correct answer and -10 for each wrong answer. The team can choose to pass the question but it will carry no bonus points.
- The time limit for each question would be 1:30 minutes.
- The team can ask for a maximum of 2 clues with each clue costing 5 points.
- **“Guess who”** would be open to all the teams and 8 questions will be asked. The teams will have to guess who the question is about.
- 3 clues will be provided:
 - Answer using only the first clue, if right +30, if wrong -15.
 - Answer using 2 clues, if right +20, if wrong -10.
 - Answer using 3 clues, if right +10, if wrong -5.

- Whichever team raises their hand first, will get the chance to answer.
- **“Pick your choice”** would be a rapid-fire round in which each team would be asked to pick a subject and 10 questions on that subject would be asked to them.
- +10 will be awarded for each correct answer and no negative marks for wrong answer.
- The top 2 teams would be awarded with the prize.
- In case of a tie, a tie-breaker audio round would be held in which each team will be required to identify 5 audio files each and the team with the maximum score would be adjudged the winner.
