Robotics General Rule

- The teams should take complete responsibility for their bots. College shall not take any responsibility if the bots are misplaced, damaged, stolen or destroyed. This applies for in house teams as well.
- A team must have a minimum of 3 members and a maximum of 5 members. A team may comprise of members from different colleges.
- All members of the team should have a valid school or college ID card at the registration desk while registering participants or else they are liable to be disqualified.
- Teams will only be allowed to participate after they have cleared all their registration fees.
- Registration money once submitted will not be refunded under any circumstances.
- We will measure your bot once at the time of registration and if it does not fit the specifications, we shall not allow it to be registered.
- We will measure your bot again at the beginning of your run/battle. If the specifications at the time of registration does not match the one at the time of your run (with a tolerance level of 3%), you will be disqualified.
- A bot cannot be shared by two or more teams. Each team has to have their own bot.
- Using of unfair means will lead to disqualification and we shall also withhold the prize money if the winning team in question is found to be guilty.
